## MEMBERSHIP/ RENEWAL IN THE LAWRENCEVILLE HISTORICAL SOCIETY

Dear Members and Friends,

These are exciting times for Lawrenceville and the Historical Society. We have a dedicated Executive Board who are extremely talented and will continue to impact Pittsburgh and the neighborhood of Lawrenceville in a very positive way. We are becoming more visible in the community as we strive to share the rich history and diversity that is Lawrenceville. We enjoy working with other community groups to create a variety of innovative programs each year.

Our web site has received rave reviews and has become a primary tool for sharing information with the public. It contains information on upcoming events, photographs, historical tidbits and special features. Business members have their website address listed and (for an additional donation) we can create a graphic banner for your business to help it stand out more to the public eye. This is a great way to promote our community via the World Wide Web!

We offer six lectures throughout each year, beginning in January, and they are free and open to the public. Your membership enables us to continue bringing quality programming and to promote Lawrenceville and its' history to the public. Members receive our quarterly Newsletter *Historical Happenings* and a 10% discount on tickets for all events. Business members receive the additional benefit of having their establishments listed in our newsletter and web site as our way of recognizing them for their support. In addition, there are ample opportunities to volunteer for our events and get the chance to work with some really terrific people and have fun.

This is your chance to get involved in our community. Without you there is no Historical Society; what a sad thought! By renewing your membership or joining today, we can make Lawrenceville a better place to live, work and visit. Thank you for your support.

Sincerely,

Dan Simkins  
President
